ABOUT ME

Born in a family of doctors, I was exactly what the doctors didn't prescribe. A film buff who naturally gravitated to the big, wonderful world of sound, camera and action.

Professionally I have taken the journey from a production assistant to a senior editor over the last 8 years.

I have been very lucky to have worked on global brands like Netflix, NBA as well as home grown brands like JioSaavn, Godrej and many more. I have edited everything from Corporate AV's to Award AV's to Social Media Content Videos and TVC's.

BRANDS THAT I LOVED WORKING ON

Besides Netflix and chill, had a fantastic opportunity to showcase my creativity and skills in a limited time frame. Creating a kickass motion poster with perfectly synced music.
